A message from Bill Estep - President and CEO, Parkline, Inc.

To our customers, partners and employees, I wish you a safe and happy holiday season. 2016 was a year of significant change for our team. We greatly expanded our ability to deliver optimized solutions at more competitive costs through our acquisition of Bebc Industries. We see great potential in this combination and I am pleased with the team's progress towards our vision and our code of operations.

Mission

To protect our customers' valuable industrial assets and provide a safe environment to maintain operational reliability.

Vision

National leader of buildings, enclosures and turnkey, integrated systems for control, distribution, monitoring and optimization applications in the industrial and infrastructure markets.

Code of Operations

We will be known for our creativity, willingness and ability to team with customers. We will perform with the highest levels of service and predictability throughout the lifecycle of all projects including design, build-out, commissioning, maintenance and field repairs. We are dedicated to delivering the quality necessary to protect your assets for the long haul and to employee safety and satisfaction.

Over these past months, we have spoken with many of you. We have been gaining important feedback on our products, services, pricing, and the consistency of your experiences with our team. I thank you for your feedback and the identification of areas for us to improve. We are building a team and business to consistently deliver strong value and exceed your customer service expectations for years to come.

Exciting times are ahead and i am certain the new year will bring new challenges and wonderful opportunities too. On the behalf of the entire team at Parkline, I thank you for your business in the past and look forward to contributing to your successes in 2017.

If you need more information, want to discuss a project, or want to let us know how we are doing, please contact us at our West Virginia office at 1-800-786-4855 or at our Texas office at 1-800-652-3226. You may also leave us feedback by filling out our [online form](#).

Wishing you, your families and your work teams a safe, healthy and successful new year.

With regards,

Bill
